### **World Day for the Sick**

Tomorrow (Monday) is the Feast of Our Lady of Lourdes, who appeared to Saint Bernadette at Lourdes one hundred and fifty years ago, in 1858. The Feast of Our Lady of Lourdes is also the World Day for the Sick. Here is an extract from the Pope's Message for the World Day for the Sick:

"The presence of many sick pilgrims at Lourdes, and of the volunteers who accompany them, helps us to reflect on the maternal and tender care that the Virgin Mary expresses towards human pain and suffering. Associated with the Sacrifice of Christ, Mary, Mother of Sorrows, who at the foot of the Cross suffers with her divine Son, is felt to be especially near by the Christian community, which gathers around its suffering members who bear the signs of the passion of the Lord. Mary suffers with those who are in affliction, with them she hopes, and she is their comfort, supporting them with her maternal help." *Pope Benedict XVI*
